Homesafe

FREE security upgrade for your home

As a Greenwich resident living within a selected area you are entitled to a free security upgrade to your home.

With the support of Safer Neighbourhood Police Teams, Greenwich Council has provided funding for the Homesafe Project to offer a range of improvements to upgrade the security of your home for you and your family.

We can arrange for you to receive a security assessment and upgrade by a professional lock fitter free of charge.

**For further information and to book a Homesafe visit to your home, please call
020 8316 4188**

Please note:

- This is a totally free service; you will not be asked for payment. If you are suspicious of a caller please call the above number to check.
- The uniformed Homesafe lock fitter will carry clear identification.
- When you make an appointment, you will be given the name and description of the lock fitter, as well as the date and time that they will visit your home.
